A Group for Those with Metastatic or Advanced Cancer

When you first learned you had advanced or metastatic cancer, you probably asked yourself “How did this happen?”, “How can I possibly cope?”, “Can my family handle it?”, or “What do I do now?”. Many people feel they have no one to talk to about the varying emotions and worries that emerge. You are not alone! Please join us for this bi-monthly group. Advanced registration is required and is open to those with metastatic or advanced cancer. Please note, this is a closed and ongoing support group. No drop-ins.
